USAGE RULES

Color	Green on dark backgrounds only. Never use green text on a white background at small sizes — use Field green (#16a34a) at minimum 12pt.
Spacing	Minimum clear space around the logo equals the height of the T letterform on all sides.
Misuse	Do not rotate the logo, apply drop shadows, use on busy photographic backgrounds without an overlay, or change the green to any other color.
Backgrounds	Preferred logo backgrounds: Pitch black, Chalk white, photography with dark overlay. Avoid mid-tones.
